If one of the above Legislators is your Senator, please be sure to contact them and ask them to support our bill. It is extremely important that we get the support of these NRRA Committee members on Wednesday. Of course, if you have not heard the news, NRRA Committee member Senator Marilyn Jarrett collapsed in her office on Thursday. She passed away early Friday morning, possibly from a possible stroke. She was a supporter of the bill.

We also need to begin the process of convincing key legislators that our bill should be "in the box", which basically means that the bill should be funded in the budget. The budget process is nearly always a contentious process where many legislators are vying for funding for their bills. The following Senators can play a key role in insuring that HB2429 is in the box:

Ken Bennett, Senate President, District 1 (Prescott) <a href="mailto:kbennett@azleg.state.az.us">kbennett@azleg.state.az.us</a>	602-926-5584
Tim Bee, Senate Majority Leader, District 30 (Tucson) <a href="mailto:tbee@azleg.state.az.us">tbee@azleg.state.az.us</a>	602-926-5683

Jay Tibshraeny, Senate Majority Whip District 21, (Chandler) 602-926-4481

Bob Burns, Appropriations Committee Chair, District 9, (Peoria) 602-926-5993  
[rburns@azleg.state.az.us](mailto:rburns@azleg.state.az.us)

If your Senator is one of the above, please contact them and ask them to support funding for this bill.

Please contact your Senator and ask them to support this legislation. Please email or fax them and follow up with a phone call. Please do so soon, time is running out.
