

# 2013 SUSTAINABLE BUILDING & CREATIVE SPACES TOUR

**Sat. October 12 | 10am - 2pm | 703 E Sawmill**

The Coconino County Sustainable Building Program, in partnership with the City of Flagstaff Sustainability Program, The Northern AZ Branch of the USGBC, and Willow Bend Environmental Education Center have organized this self-guided tour of local places showcasing sustainable and innovative approaches at home and in the community.

Homes

Community
